PUBLIC SERVICE COMMISSION OF WISCONSIN

Application of the Village of Clinton,  
Rock County, as a Water Public Utility,  
for Authority to Increase Water Rates

1190-WR-102

**NOTICE OF INVESTIGATION, TELEPHONIC HEARING,  
AND ASSESSMENT OF COSTS**

On November 14, 1997, the Village of Clinton, Rock County, (applicant), as a water public utility, filed an application with the Public Service Commission (Commission) under ss. 196.03, 196.20, and 196.37, Stats., for authority to increase water rates.

Applicant requests a two step rate increase which will produce an 8.00 percent rate of return on net investment rate base. Applicant cites increases in operating expenses and the value of its utility plant, since its last rate case in 1988, as the primary reason(s) for needing this increase.

The Commission staff has proposed an overall Step I increase in rates of 27 percent. If staff's proposal is approved, an average residential customer's bill would increase 25 percent, from \$30.60 to \$38.10, quarterly. (An average residential customer is one using 15,000 gallons of water quarterly.) The Commission staff has proposed an overall Step II increase in rates of 61 percent over present rates. If staff's proposal is approved, an average residential customer's bill would increase a total of 61 percent, from \$30.60 to \$49.35, quarterly.

The utility is responsible for notice to its customers of the filing of the above application with the Commission, and, pursuant to s. PSC 2.73, Wis. Adm. Code, for producing proof of such notice at the hearing.

This is a Type III action under s. PSC 4.10(3), Wis. Adm. Code. No unusual circumstances suggesting the likelihood of significant environmental consequences have come to the Commission's attention. Neither an environmental impact statement under s. 1.11, Stats., nor an environmental assessment is required.

**NOTICE IS HEREBY GIVEN** that the Commission will hold a public hearing on May 28, 1998, at 11:00 a.m. This will be a telephonic hearing involving two sites. The applicant will provide a room for customer participation in the Village Hall located at 301 Cross Street, Clinton, Wisconsin. Customers may call the utility at (608) 676-5304 for further details on the location of the hearing room. This building is accessible to people in wheelchairs.

Commission staff will participate from the Lake Superior Room in the Public Service Commission Office Building, 610 North Whitney Way, Madison, Wisconsin. This building is accessible to people in wheelchairs through the Whitney Way first floor entrance (lobby). Parking for people with disabilities is available on the south side of the building. Any person with a disability who needs additional accommodations should contact Richard Teslaw, General Services Assistant, at (608) 267-9766.

**NOTICE IS FURTHER GIVEN** that this matter is deemed to be a Class 1 proceeding as defined in s. 227.01(3)(a), Stats.

**NOTICE IS FURTHER GIVEN** that the Commission deems it necessary in order to carry out its duties herein to investigate all books, accounts, practices, and activities of the applicant. The expenses incurred or to be incurred by the Commission which are reasonably attributable to such investigation will be assessed against and collected from the applicant, in accordance with the provisions of s. 196.85, Stats., and Ch. PSC 5, Wis. Adm. Code.
